According to the Ohio Revised Code, a child must attend school in the district where the parent/legal guardian resides. School districts have the right to request verification of legal residency and the parent/legal guardian, not the school district, bears responsibility to verify and prove a challenged residency. It is also the responsibility of the parent/legal guardian to inform the school district of any address change within or outside of the Perrysburg School District, at any time after enrollment. By signing this affidavit, I am affirming that the address given on the student enrollment form(s), and this Affidavit is the legal residence of me, the parent/legal guardian, enrolling the student(s) and the legal residence of said student(s). Further, I am aware of the policy of the Perrysburg School District, which states that if a student is found to have residence in our district by using false or inaccurate information, the student will be dismissed/excluded from school until the issue is resolved by school administration. **If a determination is made that there was an attempt to defraud the school district, Perrysburg Schools will seek restitution.** Perrysburg Schools may file charges with local authorities to prosecute and recover reimbursement for tuition and legal fees from the party or parties responsible. I understand that those responsible will be held liable for all costs incurred while the student was enrolled in the Perrysburg School District.
